**Subject:** Re: corporate opposition to pebble

Good morning,  
Attached are position letters from the seafood industry. Along with these written statements there are several more Seafood Processing Companies who have gone on record verbally with their opposition to Pebble. These include:  
Leader Creek Seafoods  
SnoPac Products Inc.  
Ocean Beauty Seafoods  
Naknek Family Fisheries  
Ekuk Fisheries

Also, for reference:

**United Fishermen of Alaska** is an umbrella association representing 37 Alaska commercial fishing organizations from fisheries throughout Alaska and its offshore waters. Membership also includes fisheries businesses and individual fishermen throughout the state of Alaska.

The **Bristol Bay Regional Seafood Development Association** represents Bristol Bay's entire driftnet fleet - some 1,450 vessels.

The **Pacific Seafood Processors Association** includes the following companies as Corporate Members:

- Alaska General Seafoods
- Alyeska Seafoods, Inc.
- Golden Alaska Seafoods, LLC
- North Pacific Seafoods, Inc.
- Peter Pan Seafoods, Inc.
- Phoenix Processor Limited Partnership
- Trident Seafoods, Inc.
- UniSea Inc.
- Westward Seafoods, Inc.

The **Alaska Independent Seafood Marketing Association** is a membership based organization that has represented the interests of Bristol Bay fishermen for over 40 years. AIFMA has over 200 members.

Please let me know if there is anything else I can do to help.

Dave -

Thanks again for taking the time to catch up this morning. I don't have everyone's email that was in the meeting - so if you don't mind forwarding this along I would greatly appreciate it. We are working on a longer summary of opposition to Pebble but I wanted to follow up in the short term and answer the question about Jewelers. As of now there are over 30 signed on in opposition to Pebble. The chart at the bottom covers a handful of the biggest companies that have signed on in opposition and shows their combined retail sales for 2008 - over \$4 billion.

Very best -
